Dear Friends,  
We send you greetings from our  
volunteers in Rwanda and from us here in  
Holland.

In this Newsletter we would like to present to you which children need your help in Rwanda.

In September we joined the "Rabobank cycling fundraising tour" to raise funds for Rwanda in Holland. The ambassador of Rwanda in Holland also joined. She is on the picture dressed in blue in the front.

In Rwanda there are 13 children whom could not go to school anymore. First because they could not pay for their school uniform and shoes, which is mandatory. And secondly because they did not have money to be able to buy the school materials. In the meantime Ilse Leeuwenburgh has been to Rwanda, and back in Holland she has raised sufficient funds for all these children. The children are really happy now.

On the pictures below are the 13 children whom can't go to school because they have no school uniform, shoes and materials.

On the pictures are the 13 children whom now can go to school with their uniform and books in the hand. ;)

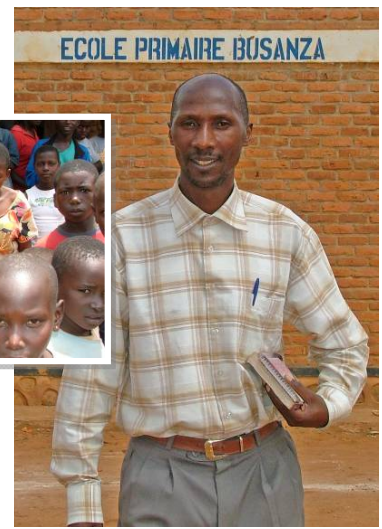

From...; Not being able to go to school !  
And then...; Finally going to school !!

On the picture is our whole family in Holland. Our 2 daughters have their weddings this year: Joyce (right) got married in July. And Jemima (left) will get married in December in Rwanda.

On the picture above is Pastor Faustin in front of a school, where he arranges everything so the children can go to school. He is our faithful coordinator for our children ministry in Rwanda.

We would like to ask your attention for the following;

19 children of our "Aids Children" Project have finished their school, for which they are very thankful to you, but still they can not find a job. We are prepared to give them a short education to teach them a specific trade.

Do you want to help to make it possible for these youth to have a short training so they can find a job fast and earn a living for themselves?

We still need 2600 Euro for this project to help these youth.

They will be very grateful to you.

The Foundation Stichting Geloof Hoop En Liefde (Faith, Hope and Love foundation) in Holland has founded "Association Hope" in Rwanda. We are helping Orphans, Aids-Children, Youth and Widows. See video images on: [www.GeloofHoopEnLiefdeRwanda.nl](http://www.GeloofHoopEnLiefdeRwanda.nl)

The board of Stichting Geloof Hoop En Liefde (Faith, Hope and Love foundation) are; Peter and Marjan Gatete, Frans Nijhof, Paul de Kloe, Daniel Huisman.

1 Corinthians 13:13 And now abideth faith, hope, charity, these three; but the greatest of these is charity.
