Dear Beloved Friends,

We send you many greetings and gratefulness from all our co-workers in Rwanda and from us here in Holland. We all serve as volunteers.

In the picture I was visiting one of the widows at her home who is part of our goat project in Rwanda.

The widows have received a couple of goats each thanks to your help and now they can breed more goats and multiply and live from it.

The beginning of this year we organized a special meeting in Rwanda to invite all workers, friends, supporters, people from the government and anyone who is connected with our work one way or the other in the past and future so we could all meet everybody at the same time to celebrate the success of the past and to speak about the future how to help the needy people in Rwanda.

In previous years I spent a lot of time visiting people but this time having this meeting in the name of our 21st anniversary it was a success and we even had a nice cake to cut. See picture.

Paul de Kloe was also with me on this trip to Rwanda, See video on our website.

End of October last year, I got a double stroke in my brain. Something I had never heard of before. This was followed by a period of being hospitalized and a long period of rehabilitation. It was not until I arrived at the revalidation center where I saw other people whom had gone through what I got and who were in worse condition, that I realized how much God had protected me.

Five young men have gotten their driver license and we could pay for 5 more motorbikes so they can work as a motorbike Taxi and take care of themselves from now on. We want to thank Stichting voor-ontwikkelings-samenwerking K.O.O.K. for it and for sponsoring the Audio rental project.

The Tailoring School is doing well; we could also give some graduated students whom did not get a sewing machine last year a sewing machine now so that they can earn a living on their own. We count on your support so we can buy a sewing machine for all students.

To meet government standards we need to renovate our Sewing school building with more facilities inside the building like toilets and sinks. We hope you can help with these extra costs.

The Foundation "Faith, Hope and Love" (Stichting Geloof Hoop En Liefde) in Holland has founded "Hope and Love International Ministries" in Rwanda. We are helping Orphans, Aids-Children, Youth and Widows. See our archive and video images on; www.GeloofHoopEnLiefdeRwanda.nl
